Experience

- NYC Teaching Fellows** New York, NY
Teacher June 2008 - Present
Certified to teach secondary special education under the Transitional B certificate, with a Master's of Science in Education expected in May 2010.
- Saint Johnsbury Academy** Saint Johnsbury, VT
Substitute Teacher December 2007 - May 2008
Taught high-school classes in a variety of subjects, including Art, Biology, Engineering Design, and Videography. Developed skills in classroom management and taught students in small groups while keeping the entire class on task.
- Northeast Kingdom Learning Services** Saint Johnsbury, VT
Volunteer Teacher October 2007 - May 2008
Instructed students in individualized lessons to help them prepare for the GED tests, to earn high school diplomas, to succeed in college, and with job and general life skills. Fostered connections with individual students to motivate them to learn and succeed.
- Computing Services** Carnegie Mellon University
College of Fine Arts Multimedia Manager, Cluster Consultant Pittsburgh, PA
September 2005 - May 2007
Troubleshooted and maintained computer, audio, and video equipment in the computer labs of the College of Fine Arts. Created and implemented new policies, trained staff members, and mentored 2-3 junior personnel per semester.
